

*Vote on
November
8th!*

Josh Shapiro *for PA Governor*

www.joshshapiro.org

Josh has distinguished himself as a Pennsylvania State Representative, Montgomery County Commissioner and as our state's Attorney General since first being elected in 2016. He was elected to a second term as Attorney General in 2020 by a comfortable margin, and now seeks to serve as our governor. Josh has led the charge against political corruption, stood up for reproductive rights, and defended the right to vote for all Pennsylvanians.

Austin Davis *for PA Lieutenant Governor*

www.joshshapiro.org/austin

Austin is State Representative from McKeesport who has prioritized creating family-sustaining jobs and ensuring all Pennsylvanians can get a quality education. Josh Shapiro has endorsed him for Lieutenant Governor, as have the Lancaster County Democrats. Austin has worked to combat poverty and secure fair funding for education in our state. Let's elect Austin to serve the people of Pennsylvania alongside Josh.

Protect Reproductive Rights

Our freedom and right to privacy are on the ballot this November!

With its *Dobbs v. Jackson* decision, the US Supreme Court overturned the precedent-setting *Roe v. Wade* (1973) decision that legalized abortion in the United States. We need to elect John Fetterman to the US Senate so that our President can appoint Supreme Court justices that respect reproductive rights. Since *Roe v. Wade* was overturned, Republican state lawmakers have intensified their attacks on reproductive rights. We have to elect Josh Shapiro as our Governor and send Mike Sturla back to the General Assembly.

Mike Sturla *for PA State House*

www.votemikesturla.com

Mike is running for his 16th term of office, having served for thirty years as State Representative in the old 96th House District, centered in Lancaster City. Mike is a high-ranking Democrat in the General Assembly who has worked hard to secure fair funding for education, among other things. He supports raising the minimum wage, paid family leave, and affordable housing.

Our New District Leader

In June, we elected former Manheim Township Commissioner Carol Gifford as our new District Leader. It's a great time to volunteer with the Manheim Township Democrats. Carol writes: "Please join us to work and support Democratic issues, ideals, and candidates in our community. Contact me directly at mtdems.dl@gmail.com to discuss opportunities. Together, we can make a difference."

Donate to the MT Dems

In recent years, Manheim Township Dems elected multiple Democrats to office within the township and beyond. In 2020, we helped defeat Donald Trump with a +1700 vote margin in township in favor of Joe Biden and Kamala Harris. Now in 2022, we need your financial support to continue electing Democrats to state and national office. Your donation helps us support our candidates, run ads, and design, print and distribute campaign materials and voters' guides for Election Day. Supporting us means supporting democracy in our community.
